

WE ARE HIRING

COME JOIN OUR TEAM

About Us: MG Electrical/Mechanical Services Ltd has been a growing electrical, mechanical, and technical contracting company in Winnipeg for over 26 years. We are looking for Service Technician with a strong work ethic, excellent communication and time management skills, who takes pride in their work and always presents themselves in a professional manner. Our company's focus is on excellent customer service and workmanship. Candidates should want to work on a fast-paced team in an organization focused on employee engagement, safety, and wellness.

Position Details:

Position: Service Technician (Construction Industry)

Permanent/full time – hourly as needed

Start date: immediate and negotiable (March 5th, 2018 latest)

Salary: \$15.00-\$20.00/hour, depending on skills and experience, paid out bi-weekly

Benefits: Health and other benefits after 90-day probationary period

Position requires a Valid Class 5 Manitoba Driver's License in good standing and daily driving (a service vehicle will be provided for work travel)

Responsibilities:

Our Service Technician will report to the Technical Services Manager and primarily make mobile and remote service calls to trouble-shoot and repair parking lot equipment. Work is varied and a background in Information Systems and Technology, equipment installation, and programming experience would be an asset. Strong customer service and problem-solving skills are required. Installations may include card access systems, security systems, CCTV, security cameras, revenue collection systems, and other low voltage work. Job will include some time in the office doing paperwork and keeping the department and shop space clean and organized.

- Provide technical expertise to diagnose, service and repair parking equipment (Amano, etc)
- Installation, service, termination (and/or programming) of CCTV, Card Access Systems, and security equipment
- Installation and connection of co-axial and network communication cables
- Utilize computers/software to diagnostic work and complete reports
- Provide excellent customer service to all MG customers
- Work closely with other technicians/electricians and customer service representatives

- Maintain all equipment to a high standard of cleanliness and working order
- Lead by example while applying MG's safety policies and procedures
- Teamwork, flexibility, willingness to travel to remote locations to conduct field services
- Participate in training and events as required

Requirements for the position:

- Must have a valid Driver's License with a clean Driver's Abstract
- Must be a current resident of Manitoba and a permanent Canadian resident
- physically able to stand, sit, bend, squat, crouch, for long periods of time, and able to work outdoors in all weather conditions
- Must participate in bi-weekly on call rotation and work overtime as required
- Must have excellent customer service skills and a strong focus on safety
- Must be a strong team player who is able to work unsupervised
- Has strong computer literacy and knowledgeable in Microsoft Office suite (Excel, Word)
- experience with security installations, parking equipment installations, remote networks is an asset
- Assets: Low-voltage M-class electrical license, Panduit (or equivalent data-cabling) certification, networking experience
- Preferred education: Electronics Network and/or Programming Certification from an accredited technical school; high school diploma required

To Join the MG Team:

- you must be reliable and dependable: show up for work on time, give us notice for time off
- you will always present yourself in a professional manner - language and appearance on-site, respectful, appearance/workspace/tools clean and tidy
- you must work well with others and can follow verbal and written directions – you are eager to learn and help others with whatever needs to be done
- you will complete a Child Abuse Registry check, Criminal Record Check, Digital Fingerprinting, and other security clearance paperwork as required on your first day (at our cost)
- you are friendly and polite
- you are good at problem solving and thinking on your feet, and knowing when to ask for help
- you want to work for a company that values: exceptional customer service, cooperation and teamwork, employee engagement and wellness, and professional development.
- are looking for a career and not just a job

Why Work for Us?

- a friendly and safe working environment (Cor Safety Certified Company – all safety training provided and PPE – you must have your own certified work boots)
- health and dental benefits after probation
- culture that promotes team-attitude, professional development, and wellness
- open-door policy with owners and managers: transparent leadership and company goals
- opportunities for professional development, training, and networking
- main office with lots of natural light, on-site kitchen, Quiet Room, staff garden, and snacks
